

# I'm too big

I'm too big.

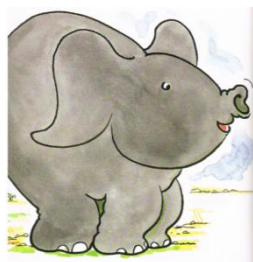

I'm too tall.

I want a long neck!

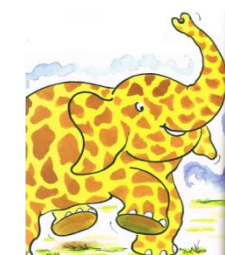

I want big ears!

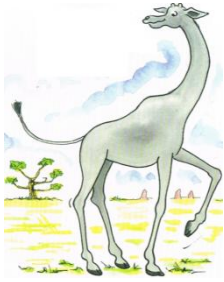

I don't like my long nose! I want a short one.

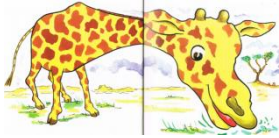

I don't like my long neck! I want a short one.

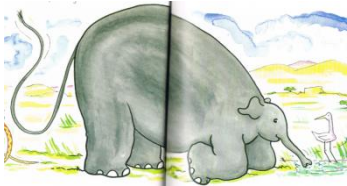

I don't like grey. I want to be yellow like you.

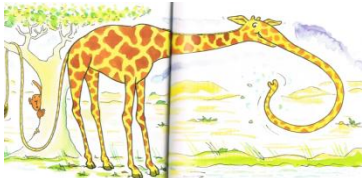

I like grey. I want to be grey like you.

But I want shorter legs... and bigger head.

I want a longer tail...and a smaller head.

Yes, I want a longer tail...and a longer nose.

But wait! I like you as you are. And you're fine as you are.

Yes... We're GREAT like this!
