

Puppy wakes up. It's Saturday.

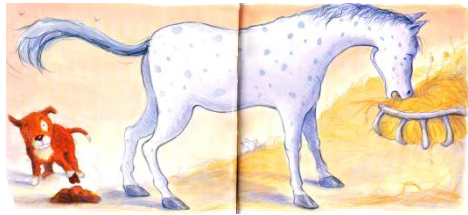

"Hmmm...who can I play with today?"

"I am too tired, says the cat, come back tomorrow."

"I am too busy, says the cow, come back later."

"I am too hungry, says the horse, come back this evening."

"I can't leave my nest, says the hen, come back on Monday."

"Come and swim with us", says the duck. But Puppy doesn't like water

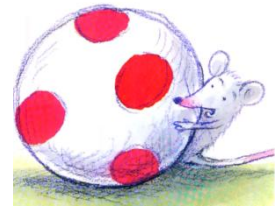

So he goes home. He plays with his ball.

He eats his lunch. He sleeps in his basket.

Who is that?
"Can I play with you, Puppy?"

"Mouse, you are my best friend!"
