

I want my banana!

Monkey has lost his banana. He's sad.

"Would you like an orange?" says Python.
"It's nice and juicy."

"No thanks," says Monkey "I want my
banana"

"Have some nuts," says Parrot "They're
delicious."

"No thanks," says Monkey "I only like
banana"

"Take a pineapple," says Hyena "It's
very sweet."

"No thanks", says Monkey "I just want my banana"

"Come here, little monkey," says Tiger. "I'll give you a banana."

But Monkey sees his banana. And he gets it just in time.

Monkey's happy now. "Bananas are best" he says.
