

Hi ! My name is Tom. I'm 19 years old.

I live in Oxford. It's a big city. There are a lot of people, cars, busses, shops, parks, restaurants, ....

I like Oxford because there is always something to do. Hobbys? Yes I've got hobbies. I like swimming, I like running, I also like reading book but I don't like gardening and going shopping.

My sister likes going shopping. Her name's Mya. She's 17.

This year I go to the university. I want to be a teacher.

My father's name is John . HE 's 49 and he's a policeman. HE works a lot!

My mother's name is Kate. She's 46. She 's a secretary.

At home there are a lot of animals. There is Max, the dog; Pussy, the cat, Blups the fish. There is also Micky, a little mouse and Jack the parrot.

# Listening comprehension.

Circle the right answer.

1. The boy's name is Jack - Mike - Tom - John.

2. He is 9 - 19 - 17 - 29

3. He's got 1  -  . The name : .....
